

CAL Excel Network Presents:

Careers in Language Week

Careers in Nonprofits Alumni Panel

November 13, 12-1pm

This webinar will provide a variety of perspectives from alumni panelists who are working in the nonprofit sector. Our panelists are **Don Kuchnicki** and **Erin Liepa**.

Don Kuchnicki is entering his eleventh year as Telamon Corporation's Director of Community Programs and has oversight responsibility for the Head Start, Workforce and Career Services and Housing and Financial Empowerment lines of business. A lifelong Michigander, Mr. Kuchnicki completed his Bachelor of Arts degree at Michigan State University and Master of Science in Public Administration at Central Michigan University.

Erin Liepa is a Specialist in Strategy Development for The Global Fund to Fight AIDS, Tuberculosis, and Malaria. The Global Fund is a public-private partnership that mobilizes and invests resources to end the epidemics of AIDS, Tuberculosis, and Malaria. Strategy Development entails defining the focus for the organization over a multi-year period.
